We will be cruising into summer on June 20th as we celebrate the official first day of summer! We are also highlighting an important monthly observance with Men's Mental Health Awareness Month. Conversations around mental health are often stigmatized and this is even more apparent for men, leading to some negative consequences. So, this month, we want to highlight all of the ways our gentlemen can access support and resources to support their mental health and to help reduce the shame around this sensitive topic. Our other featured celebration this month is International Day of Yoga on June 21st! Yoga is an important source of exercise and supports mental and spiritual health as well. So, join in with millions around the globe to connect through movement. Don't forget to check the calendar for our other June observances: Pride Month, Great Outdoors Month, Father's Day, Juneteenth and more!
